

PRESS RELEASE

**CLIFF RIEDERS SPEAKS AT PREMIERE MEDICAL MALPRACTICE SEMINAR
IN PHILADELPHIA: CURRENT ISSUES AND A VIEW FROM THE BENCH**

The seminar Current Issues and a View from the Bench in Philadelphia occurred Wednesday, August 8, 2018. Rieders, a partner with the law firm of Rieders, Travis, Humphrey, Waters & Dohrmann, presented “The Medical Malpractice Practitioner’s Tool Kit.” The attorney’s subject was issues and problems associated with electronic and computerized records; social media; and cross-examination of witnesses who have specialized expertise. These challenging subjects were presented by Attorney Rieders using PowerPoint.

Cliff Rieders speaks frequently on various legal topics, including the presentation of the popular statewide Annual Update of the Law. Rieders is a cum laude Phi Beta Kappa graduate of New York University as well as Georgetown University Law Center. Rieders is a life member of the American Law Institute, which publishes recommended legal principles utilized throughout the United States. He is a Past President of Federal Bar Association, Central Pennsylvania chapter. Cliff Rieders was a founder of the Pennsylvania Patient Safety Authority and served on same for 15 years. Rieders was a Law Clerk in the federal court system for one of the most well-known and longest serving federal judges in the country, the Honorable Malcolm Muir. Cliff Rieders was involved in the writing of the Mcare Act, which governs medical liability actions in Pennsylvania, and he wrote the book on medical malpractice that lawyers use in the state. Cliff Rieders is admitted in state and federal courts, including the Supreme Court of the United States. He is a Nationally Board-Certified specialist for Civil Trial and Civil Practice and Procedure and is admitted in state and federal courts, including the Supreme Court of the United States.
